By submitting this Return Authorization Request (RAR) form to Symantec, you acknowledge that should Symantec agree to process such RAR in accordance with the Symantec RMA Policy, you must immediately notify the reseller/end user that they must cease using and destroy the applicable licenses as specified in this RAR. The notification must state that the end user company no longer retains any rights of use of the licenses once this RAR has been confirmed by Symantec. Any use of the licenses thereafter will be unlawful.

By submitting this RAR you are certifying that you are over the age of 18 and have the capacity and the authority to bind yourself and your Company as applicable to, have read and understand the terms of this RAR, including, inter alia, your undertaking to inform the reseller/end user to destroy, or warrant the destruction of the licenses referenced in this RAR. You acknowledge that Symantec's approval of this RAR request is subject to this undertaking and shall be revoked without any requirement of notice in the event of any unauthorized use of the licenses or upon discovering any misrepresentation of the facts on which this RAR is based.
