Speaker Profile

Ameet Dhillon

- Snr. Product Manager

Ameet is a Senior Product Manager for Extreme Black Diamond product range. He is currently serving as Chairman of the 10GEA messaging committee, is co-authoring a 10GbE fiber short paper for the 10 GEA and is a sub-editor for the 10 GEA site on LightReading. Mr. Dhillon was also an active contributor to the 10GEA sponsored tech demo at N+I Atlanta last September.

Les Stuart

- Snr. Product Manager

Les is the Snr. Product Manager responsible for Extreme Network Management Product range. He has 14 years of industry experience from HP, Nortel & 3COM. In active roles, he also occupied positions with the DMTF, WBEM, SNMP Consortium and the TMF... the leading groups defining network management standards. Les has written several papers on network management that have been published, and he also holds 3 patents for network management tools.
