COMPAQ

Yes, it could and here's why

We are offering you a fantastic 3-day trip to Jersey, the "Flower of Britain's islands". All you have to do is to purchase Ingram Micro hp/Compaq products and you might be eligible to win this trip.

Set in the sparkling waters of the Bay of St. Malo, Jersey is only 14 miles from the coast of France and just 100 miles from England's south coast.

Jersey is an island where you will find the best things in life: golden sweeps of sand fringe the coast and inland, you can lose yourself in the multitude of country lanes. In short, Jersey is: friendly and safe. Beautiful and unspoilt. Vibrant and enlivening with a culture uniquely its own.

Discover our second 4-Seasons Action...

"Grow and flow to Jersey, with hp and Ingram Micro"

Participation is easy and winning simply depends on you:

- In order to be eligible, **online registration is mandatory**: simply surf to www.ingrammicro.be and subscribe!
- Registration is possible from 3 March until 30 March 2003*
- After registration you will receive targets on the following hp/Compaq product groups: Evo desktops, Evo portables, Workstations, ProLiant servers and relating CarePacs
- You will receive a **minimum turnover target** you need to reach in order to be eligible
- Every week you will be able to check your personal score on your own personalised webpage
- The Jersey action starts on 1 March and ends on 16 May 2003
- The **15 best** performing customers** in growth related to turnover, will **WIN** the 3-day trip to Jersey (12,13 & 14 June 2003)

Note: hp/Compaq Tier1 and Volume Partners, SBO's and Special Bids are excluded - *1 subscription per reseller - ** 1 person per reseller
