

Diva ISDN PCI

The Diva™ ISDN PCI is an easy to use ISDN interface card, which gives you access to the Internet and corporate networks.

The Diva ISDN interface card is ideal for the remote user looking for a low-cost, digital-only solution for high-speed, reliable Internet access. With throughput rates of up to 512 kbps with data compression, this adapter is ideal for transmitting large amounts of data quickly and reliably.

As well as ISDN remote access, Diva supports the industry standard CAPI interface, which means that a whole variety of third party software can be used, including file transfer, softfax and bulletin board access.

Thanks to Plug & Play support and intuitive wizard technology, Diva can be installed and working in your PC in less than 10 minutes. And with more international certifications than any competing solution, the Diva ISDN PCI is ready for any application, anywhere.

Low-Cost ISDN Adapter for Internet Access

Key Benefits

Cost Efficient Performance

Flexible, Integrated Solution

Ideal for access to the Internet or intranets under Windows 2000, Windows NT, Windows Me, Windows 9x, Linux. Supports Microsoft Dial-Up Networking and ISDN Accelerator Pack.

Full ISDN Functionality

Supports Multilink PPP, combining two 64 kbps ISDN B-channels to provide a single high-speed 128 kbps pipe; and CAPI interface, for Euro file transfer and other common applications.

Wide Application Support

Includes RVS-COM Lite software providing softfax and digital answering machine facilities, plus additional support features for a wide range of Windows applications.

Easy to Manage

Setup Wizard

Users running Windows 2000, Windows NT, Windows Me, Windows 9x get additional assistance from a setup wizard which provides an installation as simple as Plug & Play can make it.

Excellent Diagnostic Tools

Provide easy to understand information about the card's status in the unlikely event of a problem.

Worldwide Certification

With support for all the multinational ISDN protocols, the Diva is ready for use wherever you are in the world.

Five Year Warranty

Backed by one of the most extensive warranty agreements in the industry, with the Diva you get real peace of mind from one of the world's leading ISDN manufacturers.

Additional Highlights

- Worldwide certifications
- Plug & Play installation
- Diva Assistant and ISDN line monitor in system tray
- Bonus software: RVS-COM Lite (Fax Group 4, Fax Group 3, Softmodem, answering machine, Euro file transfer)
Microsoft Internet Explorer, NetMeeting
Net2Phone (Voice over IP)
.comfax (Fax over IP)
