HP Scanjet 3670 digital flatbed scanner

This stylish scanner offers real versatility and value for money. 1200 dpi/48-bit colour and a built-in Transparent Materials Adapter (TMA) mean great results whatever you scan. One-touch scan, copy and Instant Share buttons make it easy to use.

Designed for home users wanting to share images with friends and family. Value for money is important, as is speed and ease of use, but users will also value the high image quality and the ability to scan from slides and negatives as well as prints and other materials.

Photo quality scans with 1200 dpi resolution and 48-bit colour.

- Superb scans and copies from photos, graphics, drawings or documents.
- Capture images in rich, bright, true-to-life colour or crisp, sharp black.
- Scan 3D objects such as framed pictures and memorabilia with CCD technology.
- Scan and convert text into editable documents with Optical Character Recognition (OCR).

Real versatility – slim, stylish lid incorporates Transparent Materials Adapter (TMA).

- Versatile – easy-to-use integrated adapter.
- Scan 35 mm slides or strips of negatives/transparencies.
- Capture favourite images in finest detail for enlargements or other creative projects.
- Convert old slides into digital files for easy sharing of memories.

One-touch buttons for scanning, colour copying and Instant Share ensure great results first time.

- Complete projects quickly and easily.
- Automatic scanning and copying – no complex tools to learn.
- HP Instant Share™ – the easiest way to share digital photos via e-mail or the web.
- All the reliability you'd expect from HP.
- Technology that works with you to simplify key tasks – achieve everything you want from day one.
- HP Photo & Imaging software included.
