LEXMARK™ *Optra*™ **E310**

## The **faster,** *smaller, smarter* personal printer

- **8 ppm**
- **67 MHz**
- **Built-in USB port**

The faster, smaller, smarter personal printer

- ■ **600 x 600 dpi and 1200 Image Quality**

- ■ **PCL® 6, PCL® 5e and PostScript® Level 2 emulations standard**

- ■ **Less than 17 seconds time to first page**

- ■ **Single element toner cartridge**

- ■ **Flash memory option for fonts and forms**

- ■ **Euro enabled**

LEXMARK *Optra* ™ **E310**

A **compact** business-class laser printer for world-class **productivity**

Optimum productivity in a minimum of space is what the Optra™ E310 is all about. With a print speed of 8 ppm utilising a powerful 67MHz RISC processor, it gets the job done fast. And when it comes to meeting your peak load printing needs, the Optra E310 can handle up to 10,000 pages per month. A rapid <17 seconds time to first page reduces your waiting time, while memory, expandable to 66MB, makes short work of your most complex tasks.

224 mm

365 mm

345 mm

Convenience is everything with the Optra E310. Its large paper input capacity saves time and increases your efficiency, while a straight output path allows you to print on a variety

Practical features for **professional** results with impact

of media, including cardstock. A selectable print resolution feature allows you to optimise your printer's job performance with up to 1200 Image Quality mode. A single element toner cartridge makes clean hands installation quick and simple. Add the optional flash memory card to store fonts, forms and macros, and you've got an unbeatable personal printing solution that caters to your every need.

Superior **compatibility** and **connectivity**

The Optra E310 provides total flexibility with PCL 6, PCL 5e and PostScript Level 2 emulations. A bi-directional parallel port enables high-speed communications, while a built-in Universal Serial Bus sets the new industry standard in expanded connectivity. Additionally, the little Optra E310 can grow to accomodate small workgroup printer sharing with a MarkNet™ Pro External Print Server.

Reduced costs - from day 1

With so many value-added features, you start saving the moment you start using your Optra E310. Operating costs are minimised with great features like high volume (5,000 page) toner yield, multi-up printing, Toner Saver mode and Power Saver mode. The result? As your printing efficiency soars, your total cost of printing plummets. That's Lexmark performance at work - providing the products that make your life easier.

## **Fast** and **easy** printer **management** with MarkVision

Lexmark's award-winning MarkVision™ management software allows you to manage your personal printer with maximum efficiency. With its easy-to-use tabs, the MarkVision Utility is a quick and easy way to view and change printer settings right from your computer. And should you choose optional network connectivity, MarkVision will ensure easy and powerful network operation, making your Optra E310 an effective shared printing resource.

Technology: Laser

Print quality:
- 1200 Image Quality* (IQ)
- 600 x 600 dpi
- 300 x 300 dpi with PQET (Print Quality Enhancement Technology)

Speed: Up to 8 ppm

Processor: Toshiba 67 MHz

Memory
Standard: • 2MB expandable to 66MB
Optional: • Flash memory modules: 1MB (P/N 45H0020), 2MB (P/N 45H0021) and 4MB (P/N 45H0022) • EDO RAM memory modules: 4MB (P/N 45H0023), 8MB (P/N 45H0024), 16MB (P/N 45H0025), 32MB (P/N 45H0026) and 64MB (P/N 45H0027)

Connectivity
Standard: • High-speed bi-directional parallel port (IEEE 1284 ECP compliant) • Universal Serial Bus (USB) port• All ports active simultaneously
Optional: • Token-Ring (4 Mbps or 16 Mbps), Ethernet (10BaseT/10Base2), Ethernet (10BaseT/100BaseTx) MarkNet Pro external print servers for simultaneous support of all major network operating systems, including Microsoft® Windows NT™,Novell®, NetWare®,IBM®OS/2®Warp/LAN Server®,UNIX,TCP/IP and AppleTalk® • Universal Serial Bus cable (P/N 12A2405)• External Serial adapter (P/N 1368705)

Electronic forms support: Optra Forms™ flash memory modules: 1MB (P/N 43H5064), 2MB (P/N 43H5065) and 4MB (P/N 43H5066)

Network Management Software: MarkVision™ network printer management software

Compatibility:
- PostScript Level 2 emulation standard
- PCL 6 and PCL 5e emulations standard
- SmartSwitch printer language sensing
- PPDS migration tool (4029 level support) standard

Font selection:
- 75 scalable fonts (PostScript Level 2 and PCL), 2 bitmapped fonts (PCL), 80 symbol sets (PCL)
- Font Vision™ Font Manager for Windows®

Paper Handling:
- 150-sheet input tray
- Single sheet manual feeder
- 100-sheet output bin
- Front exit for straight output path
- Paper, transparencies, paper labels, envelopes, cardstock supported

Cost Saving and Environmental Features:
- Power Saver mode
- Toner Saver mode reduces toner consumption up to 50%
- Multi-up printing (up to 16 images per page)
- Operation ReSource℠ returnable print cartridge
- Energy Star compliant

Size/weight (WxDxH):
- 345 mm x 365 mm x 224 mm
- 7.5 kg

Acoustics: 47 dBA operating; 35 dBA idle

Supplies:
- 5,000-page toner cartridge (at 5% coverage) (P/N 12A2202)
- 50-sheet transparency box (P/N 12A5010)

Duty cycle: Maximum of 10,000 pages per month

Warranty: 1-year exchange.

Printing may require additional printer memory depending on file complexity.
