## Primary headline

**Have fun, get more done.**

## Secondary headline

**Get the most out of your Mac with Microsoft® Word 98 Special Edition for the iMac and iBook.**

## Tag line/descriptor

**The Ideal Home Companion**

## 25-word description

Specially designed for the iMac and iBook, this Special Edition makes it fun and easy to write letters, create greeting cards, send e-mail, or browse the Web.

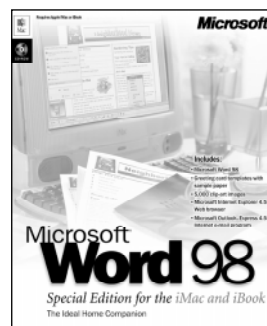

## Features/benefits

- Say it with style. Professionally designed templates in Word 98 make it easy to create personalized greeting cards for every occasion.
- Add pizzazz to your documents with 5,000 clip-art images, drawing tools, and a variety of visual effects.
- Get things done the easy way. The interactive Office Assistant offers useful suggestions—and answers your questions—as you work.
- Step-by-step Wizards help you create newsletters, calendars, mailing labels, and more—with the click of a button.
- Drag-and-drop installation makes setup a snap.
- Automatically replace necessary files if they accidentally get deleted, with a self-repair feature.
- Explore the World Wide Web with Microsoft® Internet Explorer 4.5.
- Keep in touch with your family and friends using Microsoft® Outlook® Express 4.5.
