Adobe Acrobat buy 6 & Save 20% TLP promotion

The Acrobat Buy 6 & Save 20% TLP promotion is available from February 1, 2012 through July 31, 2012.

For a limited time, you can save 20% when you buy six licenses of either Acrobat X Pro or Acrobat X Standard software through the Adobe Transactional Licensing Program (TLP), one of the Adobe Volume Licensing programs.

Adobe Acrobat X Standard software helps you reliably create, edit, and share PDF files. Convert paper documents to searchable PDF files or fillable forms. Export PDF files to Word or Excel. And control access to sensitive information.

Adobe Acrobat X Pro offers all the features in Acrobat X Standard plus many more. With Acrobat X Pro, you can create advanced forms with the included Adobe LiveCycle® Designer Enterprise Suite 2 software, automate multistep tasks with the Action Wizard, permanently delete sensitive information with industry-leading redaction and sanitization capabilities, and organize multiple files into an easy-to-navigate PDF Portfolio.

This offer is limited to one six-license TLP purchase per customer
