No Charge Trade-Up Key

Until June 30, 2010 resellers can offer their customers who currently have BlackBerry Professional Software V4.1 or Small Business Edition BlackBerry Enterprise Server a no-charge Trade-Up Key to BlackBerry Enterprise Server (BES) just by selling a new Advantage Support contract for BES. Customers are entitled to the no charge Trade-Up Key during the promotional period. Complete details are posted on spn.blackberry.com. Click on 'limited time customer offer' on the home page.

BlackBerry Technical Support Services Promotion

Sell BlackBerry Technical Support Services to your clients between June 7, 2010 and August 27, 2010 and they'll not only have a flexible subscription-based solution they can rely on – your organization will have the opportunity to earn reward points that can be redeemed for BlackBerry smartphones or VISA Reward Cards. Visit spn.blackberry.com for full details. Managed partners are not eligible to participate.

BlackBerry Learning Program

Increase your knowledge of the BlackBerry solution while earning a VISA Reward Card. Go to spn.blackberry.com and click on the home page banner to learn more.
