Juniper Networks Next Generation Firewall Promotion
Buy 3-Years of Content Security Protection, Get Branch Security Hardware FREE

Now available through June 30, 2015, Juniper Networks is offering its distributed enterprise and branch customers the opportunity to get a Branch SRX free with the purchase of 3-years content security protection. Customers can now easily migrate their legacy ScreenOS firewall devices to Juniper's Next Generation Firewall SRX Platforms and protect their enterprise edge with added security and control while providing greater efficiency and flexibility

Promotion details

- Eligible SRX Platforms: SRX 100, SRX 220, SRX 240, SRX 550, SRX 650
- Content Security Suite includes: Gateway Antivirus, Application Security, IPS, Anti-Spam, and Enhanced Web Filtering
- Must purchase 3 Year Content Security Suite Subscription at standard discount and on same Purchase Order, as eligible Branch SRX hardware

Expires June 30, 2015
