Ingram Micro / CA Value Add

INGRAM MICRO®
Partner Smart

CA -CA is one of the world's largest IT management software providers. Our software and expertise unify and simplify complex IT environments—in a secure way—across the enterprise for greater business results.

Ingram Micro
Ingram Micro distributes *more CA product* than any other distributor in the world! With access to all of CA's Volume products, as well as exclusives like Seismic Instant Recovery on Demand and CA Onsite.

CA Resources
Our *dedicated* CA team of *over 10 team members* supports the CA business in the U.S. This is in addition to the largest distribution field sales team in the United States - which serves as an extension to the CA sales organization.

- 1 Market Development Manager-field deployable business development resource.
- 3 Market Development Specialists-program experts
- 5 IM CA Volume License Specialists
- World Class Tech Support Team-including a field deployable CA Engineer.
