Maintenance/Support

Maintenance is not required with all license purchases, but highly recommended. Maintenance includes the following:

- Upgrade protection (free upgrades during term of the maintenance agreement)
- Backwards licensing rights (licensed software can be used one version back from the current version)
- Multi-lingual licensing (ability to deploy with additional languages)
- 1 premium support incident for every 20 seats of maintenance purchased. If less than 20 seats are purchased, customer will receive access to the Corel knowledge base and free installation support.
- Maintenance can be renewed, providing an easy way to clearly budget for obtaining future releases, and product support.

Media

Media Kit is required on all new licensing purchases. It is not required for the WinZip products. Media is available via download for WinZip products.

Authorization Requirements

There are no authorization requirements for Corel Licensing.

Ordering Requirements
