The Following Promotions are valid from October 1st 2012 until December 31st 2012.

Buy VL4 or VL5 and receive an additional 10% discount. The discount will be applicable on software only (Maintenance Support is not eligible) and for New System Sales (Upgrades included). Renewal Sales are not eligible to receive this discount. Deals must be registered in order to be eligible for the additional discount.

Installed base promotions.

1. Buy 1 Advanced Site Recovery (ASR) and get 1 free.
2. Buy 1 Automated Storage Tiering (AST) and get 1 free.
3. Buy 1 Continuous Data Protection (CDP) and get 1 free.
4. Buy 1 Async Replication license and get 1 free.

Criteria: The promotions only apply to existing customers who have purchased SANsymphony-V licenses **on or before August 20, 2012.** They also apply to existing SANmelody and SANsymphony customers who **upgrade their licenses to SANsymphony-V.**

Deals with special pricing discount, Educational discount, Government discount and Lead Registration discount cannot be combined with this promotion. In addition support maintenance items for those products are not included as part of this promotion and should be purchased at standard pricing, including support maintenance on the free options.

As always, should you have any questions or require any additional assistance, please feel free to contact us. We stand ready to assist you in any way possible.
