McAfee SMB Accelerated Deal Registration Program

End Date- Wednesday, December 28, 2001

Targeted to customers with up to 250 employees.

McAfee's SMB Accelerated Deal Registration Program provides McAfee Partners the ability to leverage 25% deal registration for standard license and competitive upgrade license opportunities and 10% deal registration for suite upgrade opportunities. When additional years of support are being sold with any of these license combinations, Partners have the ability to leverage 25% deal registration on 'new business' support.

Utilization of this promo code based SMB Deal Registration Program provides accelerated approval

processing. This program does not have a minimum dollar requirement for submissions.

This promo code cannot be combined with any other margin enhancement programs, such as tiered pricing.

A la Carte SKUS
