Vendor Program Overview

Roxio's volume licensing program is the easiest, most flexible way to license Roxio software on a number of computers. With a low entry-level purchase anyone can be up and running quickly and legally. The more you buy with your initial purchase, the greater your savings are. Better yet, you can add to your license at a later time for the same low per-seat rate, even if it's a lower quantity than your initial purchase. Roxio licensing is an ideal solution for today's business, education and government needs. Education/Government discounts are also available.
