Partner-to-Partner Collaboration Promotion

Now through March 31, 2013

The Partner-to-Partner Promotion has been extended to March 31, 2013. Partner-to-partner collaboration qualifies for this promotion when the Partner who prospects a new opportunity for Symantec, but is not authorized to sell the product(s) a customer requires, collaborates with another Symantec Partner who is authorized to service the technology. Visit [PartnerNet](#) to learn more.

Margin Builder

Effective August 16, 2012

Margin Builder expanded its current program eligibility to include all SMB Specialist VARs in North America. Deal eligibility is also expanded – up to 1,000 seats on all qualifying products. There is also an increased discount to 15% MSRP discount on new licenses.

For a list of qualifying products and to begin registering opportunities, visit <https://partnernet.symantec.com> and select the Margin Builder link.
