

Virtualization and Encryption are two of the most important initiatives in anyone's portfolio. Let us tell you about both of those topics from a Symantec perspective and how they can help increase your sales. You will also have the opportunity to win a \$50 Dollar Amex gift card. We look forward to you joining us and register early as these fill up fast!!!

Topic: Symantec's BE V-Ray Edition and PGP Encryption

Date: Thursday, September 5, 2013
