Build a network that will change the way you do business with these unbeatable offers on switching from 3Com.

3Com Gigabit products help you build more powerful networks that support business critical, high-bandwidth applications. You don't need to upgrade all your desktops immediately, choose 3Com's 10/100/1000 Mbps switches and NICs for intelligent connections that deliver user-defined bandwidth on-demand. Key products are now even more affordable through 3Com's Trade Up program.

If you're not quite ready for Gigabit yet, why not try our feature-rich 10/100 Mbps solution; the 3Com® SuperStack® 3 Switch 4400 family. You can now Trade Up to the 24-port, 48-port and SE models for a limited time.

Trade Up Deals on Selected 3Com Gigabit and Fast Ethernet Switches.
